PROPERTY INFORMATION

Why is 300 North Meridian one of Indianapolis's most desirable and prestigious office addresses? Maybe it's the great location—overlooking University Park, just two blocks North of Monument Circle. Maybe it's the fact that this elegant 27-story building has already attracted some of the city's most discerning tenants. Maybe it's the exceptional access to the city's most convenient thoroughfares—plus in-building parking and an attached 8-story parking garage. And just maybe it's the fact that 300 North Meridian is managed by REI: the company Central Indiana depends on for property management services that exceed our customers' expectations.
